88% used Career Services at

Toppel

While at the

83%

gained work experience

(internship, campus employment, clinical work, etc.)

Every year, UM Collects data on students' post-graduation plans. Included here is a sampling of these data. For full results, go to www.miami.edu/outcomes. Data is collected annually via the Graduating Student Survey (managed by Institutional Research and administered by the Toppel Career Center) and via other sources, such as LinkedIn. Together, these sources provide verifiable career information on approximately 70% of the graduating class.
